Dear Fellow Property Owner

We're writing to ask you for your 2010-11 dues payment. You will notice that this year in response to member suggestions, we are offering you an opportunity to indicate the area of operation in which you would like to see your dues payment directed. We will make every effort to comply with your input, but ask you to keep in mind that --at least in the short term --fixed costs and obligations will have to continue to be covered. Please take a minute now to complete the enclosed form and to send your payment in the enclosed envelope.

We are facing some challenging times. The lingering effects of recent hurricanes, the increased shoreline erosion, the economic recession, and now the oil crisis, are placing considerable strains on our organization's financial health. Your support is more important than ever as your board deals with these issues

But don't despair--the board has begun a planning and visioning process to enable us to decide the future of the club assets. We need to make some fundamental improvements to the condition and appearance of our facilities and to perhaps restore some of the former elegance and pride that many of you remember and have mentioned. We welcome your input as this process progresses.

Upon receipt of your payment you will receive membership cards and coupons that allow you to play golf on the Isle Dauphine Golf Course and access the beach area located behind the club house. While we hope you enjoy these small tokens of our appreciation, we recognize that the real motivation to support the POA with your dues must come from a sense that the organization is beneficial to you as a property owner. Your support is greatly appreciated and is essential as we seek to meet and exceed this expectation.

DIPOA Board of Directors

Bruce Jones, President
